My name is Shane, 26 years old and have just moved to Brighton to work for Specsavers opticians in North Street as an Optical Dispenser. I am looking to rent a room or bedsit with a maximum budget of £500 pcm including bills. I may even consider budding up with someone to rent a small flat. I would like something quite central but this is not essential as I do have a push bike. If you think you have anything that may interest me please do not hesitate to contact me. [email protected]
