Whether you want to add a new career skill, prepare for a trip to China or simply learn a new language - start by taking a free taster Mandarin Chinese lesson from a qualified teacher now! At the end of the lesson, you'll be able to greet and introduce yourself in Chinese! My name is Fan and I was born and raised in Beijing. I am a qualified Chinese language teacher from the University of London and hold a Postgraduate Diploma in Teaching Chinese. I have two years of experience in teaching Mandarin Chinese to students at different levels. I'm patient, approachable and devoted to helping my students engage with the Chinese language and culture. I also have a recent DBS/CRB check. Lessons are at my home-based classroom in Herne Hill, London SE24. Materials will be provided on the day. There will be one free lesson available per person. Places are limited and will be allocated on a first-come, first-served basis. Please choose from below and let me know all the dates/times you are available for your taster lesson by sending me a message. I'll be in touch with the booking confirmation and address shortly.
