 BASED IN BRISTOL BS15

BS15doors Ltd - 0800-612-6980 / 07568-067126 www.BS15doors.co.uk

Our Pet Flap Service is available in The South West of the UK.

We can either fit your petflap (providing it is suitable for the future) or we can supply a suitable product. We use Staywell Petflap products.

If you are purchasing your own product, please ensure that the petflap is of suitable size for your pet, and that it is of suitable depth for the future. An additional tunnel may be required, depending on the width of your future (door, window, wall, etc.)

We can fit the petflaps into timber doors, composite doors, upvc doors, door panels, walls and supply double glazed glass units to accept your petflap.

We recommend three types of cat flaps, standard 4 way, magnetic 4 way, and aluminium framed. All are available with replacement flaps, either from ourselves or direct from Staywell.

Staywell Manual 4 way locking - including tunnel	£ 19.99 + vat
Staywell Magnetic 4 way locking - including tunnel	£ 29.99 + vat
Aluminium Pet door (Small) Cat or Dog	£ 39.99 + vat

We recommend the Aluminium Pet door for Dogs, as they come in a variety of sizes to suit your Pooch. All are available with replacement flaps, either from ourselves or direct from Staywell.

Aluminium Pet door MEDIUM	£ 52.00 + vat
