Hi! I am native Russian tutor with degree in English. I offer interactive and enjoyable Russian classes via Skype. Each lesson is individually created to suit your needs. I use a variety of proven methods to help you learn Russian quickly and effectively. I will assist you in accessing available free resources on line. All learning materials are provided.

Learn Russian via Skype To learn Russian on Skype is suitable for everybody: intermediate level students and the beginners. It is a perfect way of study for working people, who cannot find time for individual or group lessons. You can learn Russian on Skype at any time and place, where you can find Internet.

Russian lessons online are very similar to the individual lessons: the teacher introduces the material, gives the explanations and the assignments. The student, in his turn, listens to the tutor and does the tasks. During the Skype sessions the main focus is on the conversational language.

The students of Russian Online courses can choose the time, duration and frequency of the lessons which are suitable for them. Apart from that, they can choose a level: for beginners, intermediate, colloquial, business etc.

Trial lesson is.
