Location **South East, Buckinghamshire** https://www.freeadsz.co.uk/x-272277-z

The DR125 has fantastic big bike looks that disguise its actual capacity. The 125 four stoke air cooled engine is efficient and reliable. This bike has been well maintained and is good condition, whether your after your first bike or returning to biking this will certainly make you happy. As with all our bikes it is of course HPI clear and will be fully prepared by our workshop prior to collection. Part exchanges are very welcome as we are always looking for used bikes, we are also happy to settle or arrange finance and trade up or down. £1995
