Business report writing has to convey information that would assist in the decision-making process. Business Report Writing is the means by which one presents any business related information. Some reports might provide a definite solution to solve a business problem; other reports might touch on historical business information that would be used for future business planning. Conventional reports, such as Business Plans & Marketing plans, provide the concepts, management models, commercial goals and operational measures. Business reports are a critical part of performing business activities. Proficiency in this area is significant for commercial success.
