We are very please to be selling this gorgeous custom cruiser, it comes with a host of practical and visually stimulating accessories fitted that include, chrome front fender trim, braided front brake hoses, billet alloy accessory bar with chrome spot lights and chrome indicators, chrome oil cooler guard, chrome large diameter rear protection bars, chrome pull back handle bar risers, chrome and rubber handlebar grips, chrome and rubber front and rear foot boards, "Mustang" front and pillion seats, chrome pannier rails, chrome rear light trim and leather panniers with quick release locks. It looks absolutely stunning in what we regard as the best colour of " Pearl Novelty Black " because it just goes so well with all the chrome work. We sold this bike new to its one mature owner and fair weather rider who has had it maintained here. Before it leaves us it will have the 7500 mile service completed, bringing the Suzuki service history up to date, it even has the original unused tool kit under the lockable side panel. This Intruder Volusia doesn't just look good it also has lots of low down grunt for easy cruising, it handles well and is ultra comfortable and is shaft drive. As with all our bikes it is of course HPI clear and will be fully prepared by our workshop prior to collection. Part exchanges are very welcome as we are always looking for used bikes, we are also happy to settle or arrange finance and trade up or down. £3995
