This is a brand new bike, fitted with some useful accessories to make it even more practical. These are a genuine top box and genuine screen and wind deflectors. This amazing machine rides like a 125 with plenty of initial zip and good pull to get going in traffic. There is plenty of storage under the seat, allowing secure storage of most full face helmets. All available on the road for only £2271. Part exchanges are very welcome as we are always looking for used bikes, we are also happy to settle or arrange finance and trade up or down. £2271
