I have a large "Bergerac" table for sale and 6 chairs - 4 standard and 2 carver

Made exclusively for John Lewis in the south of France from solid French Oak, this distinctive and rustically styled dinning table and chairs is inspired by 18th & 19th century French antiques. It has a distressed finish to create a comforting impression of age and use. The timber is selected for it's natural characteristics and given time to dry and age, so no two pieces are exactly alike in colour or grain.

Dimensions - 229cm Long (fully open) x 95cm wide x 78cm high. Removable centre section is 50cm wide and is stored in the table itself.

Naturally there is some wear and tear given the daily usage but the table and chairs are still in good condition.

Any questions, please inbox me.
