Scammers don't bother replying, I am fed up of you scumbags. I will not pay your freight forwarders, or accept payment by paypal, will not accept 10times more than the bike is worth, I don't care if you are buying it for your sick cousin/son/brother or if you are at sea so cannot view the bike, or if you have just had an operation so can't turn up in person. If you haven't got a cash payment don't bother contacting.
