Like new! Gold, 64gb iPad Air 2 This also comes with an official apple smart case -product red. It has its official box and charger. I am selling due to upgrading, the iPad has been in its case since day one. It gets used on average of once a week if that, due to not needing it so is in the condition you'd expect a brand new one to be in. Cheapest price you'll find!! please note I will happily supply pictures tonight! 03/03/16 due to being at work.;
