Honda CR 85, 2007. I'm reluctantly selling my Honda CR as I currently don't have the space for it. It's a great bike in great condition. Has had around £1500 spent on the engine upgrading parts and has also had a PRO circuit exhaust pipe fitted(no dents and great condition). Hasn't been ridden much as I don't always have the time. Great bike that will leave you with a smile on your face every time! Very fast bike and the only thing that you could do to it is add graphics kit. Open to offers around that mark. No time wasters.
