## Pair of BOSE 301 series ii Loudspeakers Vintage late 80039s Excellent condition (90 0

Wales, Mid Glamorgan Location https://www.freeadsz.co.uk/x-290163-z

Pair of BOSE 301 Series ii Direct / Reflecting Loudspeakers. Vintage late 80's. Beautiful sound. Excellent condition. One 8" Woofer and Two 3" Tweeters per cabinet. Each cabinet features a ducted bass port in the top of each cabinet. Any variations in colour on the pictures are due to lighting changes during photography.

Sought after model and thought better than the later versions. Lovely rich bass and sweet top. Rated 75w per speaker cabinet at nominal 8 Ohms. Suitable amps 10w-75w per channel.

All drivers perfect. No dented cones or domes. No deterioration of the foam surrounds on the 8" woofers either! Cabinets are clean and tidy and are in exceptional condition for age. Complete with a copy of Bose user instructions/specifications

Size: 27 x 43 x 24cm Weight 7.1Kg

Too many speakers. need to make room. Prefer cash on collection. Inspect and demo first. Will consider a close offer. MAY POST if secure payment is made by bank transfer. No Paypal. Contact to.
