Bought these bunk beds for £250, however realised they were too small for our teenagers after beginning to put them together! Head boards and foot boards have been put together but everything else is untouched. This solid pine bunk bed is perfect for families with young children and the trundle makes an convenient spare bed for sleepovers. Finished in white paint, it has a neutral appearance to compliment a range of decors.

Part of the Detachable collection. Solid wood frame finish. Ladder can be positioned either side of the bed. Can be used as 2 single beds. Includes wooden slats. Bed size W102, L196, H145cm. Clearance between floor and underside of bed.
