- Brand new Geox boots - Never worn - still in box - Size 39 / UK 6 - Jr Sofia style - Leather with elasticised insert at the back of the boot - Zip fastening - Slim fit - Height of the front of the boot is approx 39cm / Back of boot is approx 34cm - Classic, elegant style - These are from the Junior range at Geox - they are a size 39 and fit me (an adult!). They are gorgeous boots and I fell in love with them - however, I am recovering from a broken foot and need to wear orthotics, which I cannot fit into these boots, so I am very sadly selling them - Geox description: Boots in smooth leather with maxi elasticized insert, straps, and zipper up the boot leg and lightweight soles. Perfect for free time in the city. Thanks to its high level of specialization, Geox knows exactly what your child's feet need to develop properly and with the right comfort for the various phases of growth. We know that sometimes even the very youngest want to copy the look of grown-ups: that's why we came up with this model. It looks just the same as the adult version, and also shares the same comfort. The rubber soles on this model are based upon an exclusive Geox patent: a breathable and waterproof membrane that allows for natural thermoregulation and creates an ideal microclimate inside of the shoe - Available for collection from W4,
