A really solid Cosatto Arlo 3 in 1 cot bed (cot, junior bed, sofa). We have cleaned up all the parts since dismantling it - removed stickers etc and as you can see from the photos of each part, the marks came off really well. The bolts etc are safely in a plastic bag. We are not including a mattress as most people like to buy that new. The instruction booklet is included. There is some scuffing to the base of one leg (as shown in the photo). Bought from new about 18 months.
