

Long Form Articles writing by experts (up to 1500 words) 85

Location **London, London**
<https://www.freeadsz.co.uk/x-291327-z>

Fully-researched long-form articles (up to 1500 words) primarily used to drive inbound content marketing and provide high-value content on websites. This article format is able to discuss topics in-depth with actual research-based materials gathered from key high-quality online sources.

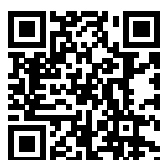

KEY FEATURES:

All articles written expertly by English speakers, containing minimal errors, and following exact directions provided. Each article is edited by our on-site editors and checked against industry standards and client requirements. High-quality and highly-readable write-ups with Flesch-scores above 50. The Flesch-score may be lower if the article requested is more technical. 100% original and unique content written by our in-house writers. Articles are not spun, and are checked against Copyscape. Further revisions can be made in the article when needed. contact me for more
