Aqualung Mikron complet set- almost unused (140 GBP)

South East, Middlesex Location

https://www.freeadsz.co.uk/x-292140-z

The controller has been dipped only 3 times in the pool and correct manner therefore need to be referred to as needed.

The package includes the 1st and 2nd stage, an octopus and a pressure gauge and the purchase invoice with test.

The Mikron is in my eyes one of the best regulators ever and would again at any time my number one choice for domestic hot.
