If you are looking to inject some life into your home, or freshen up tired looking rooms, but don't have the budget for expensive interiors, I can help! I can translate your ideas and dreams of the perfect room into exquisite personalised spaces in any room of your home. Bedroom, sitting room, kitchen, study, guest bedroom, bathroom, you name it I can help. I am an Interior Decorator and Stylist from Dorset who has recently moved to London to fulfil my dream of bringing beautiful quality interiors to the city without the hefty price tag. What I offer: Consultation worth just £25 Ideas, inspiration and quality advice Mood boards/colour visuals of the final design Purchasing of all interior and paint (I will source every item for you) Final outcome: Full re-decoration of your space Prices vary dependent on project and time involved. However if you are on a budget and just need a little revamp of your room I will help you keep the cost down to as little as you wish. This will all be discussed in the consultation. Please contact me to become one step closer to your dream home. Book your consultation now on 07568 563 851 or call for more.
