just taken this great 2004 suzuki burgman 400 scooter in px for a bmw we had, its in clean condition runs and rides well, has a years mot, only 17,000 miles with old mots and sevice book with 4 stamps and spare key. its hpi clear with print out. the speedo has stopped working since a new front wheel bearing was fitted so will investigate further but has only done a couple of hundred miles since it happened. we may be able to deliver email post code for a quote and pay by card over the phone ring 07885.
