Struggling to push the B+ into the A category? Sick of seeing the Cs on your essays? Or, do you need enough to make sure you pass? In any case, I can help. I'm a final year Bachelor of Secondary Education student majoring in English & Geography. I would love to help you or your child improve their results in written or spoken tasks. I specialize in English but am able to cover other subject areas. - Detailed draft with feedback based on assessment criteria sheet and a predicted grade - Proof read of spelling, grammar, sentence structure and control of written textual features - Turnaround of draft within 2 days of sending through (can be quicker if needed) I really hope I can help, email or text to enquire!
