SO clean you could eat your dinner off it! Seriously! But don't take our word for it... Come down to CMC stoke and view this bike for yourself! A very well presented Yamaha FZ6 Fazer which has covered a genuine 11'517 miles from new. Some quality extras have been fitted, such as the double quill exhausts and heated grips. The meta 357 alarm is a category 1 alarm and will reduce insurance premium's. We have all the keys and supporting books to go with this bike and in this condition we think the first to see will!
