Much loved jeep sadly for sale, this is a soft top model but I have fitted a Berman hard top to make it more practical - the front roof panel can be removed to convert to a targa top in the summer. Original soft top and umbrella frame included in sale but will need the rear zip repairing. Good condition and runs well for a 20 year old car. Rear seats currently removed as I preferred the extra load space, but they can be refitted if required. Long MOT with no advisories. Towbar with working electrics. 4x4 all works as it should. Dog cage NOT included in sale. Viewing available from first week of April. Only selling as been offered larger.
