Here we have a brilliant example of a Yamaha XVS950 that has only covered 2960 miles from new by its former keeper. The bike has been serviced at 799 and 2955 miles. You would never guess this was an entry level custom cruiser, its a hell of a lot of bike for the money. It questions whether you need a larger bike, as it does everything a larger customs does and is considerably cheaper. It feels large, like a proper custom bike, comfortable, strong engine, more than enough for two up touring, yet is still easy to ride and rider friendly. Viewing is welcome any time and we guarantee you will not be disappointed. Give us a call on 01246 860046 for more info or pop in and view the bike at CMC Clay Cross. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us.

Photo coming soon.

Please feel free to pop in and view the bike in person
