Triumph TR8 1979 (19,950 GBP)

Location **West Midlands, West Midlands**
https://www.freeadsz.co.uk/x-299386-z

ATR88V is one of the extremely rare batch of production FHC TR8's (less than 250) built in 1979/80 with the chassis number prefix TCN. The car has features unique to the TR8 such as Factory Air Conditioning and Power Steering which function correctly like everything else on this rare vehicle. The full history of this car has featured in many publications over the years and this car is one for the serious collector. If you know your TR7's and TR8's there is nothing more that needs to be said about this truly magnificent example. The car has been maintained to the highest of standards by all of it's previous 3 owners. Part-Exchange will be considered for the correct vehicle and possible assistance is available for finance subject to the normal credit checks. I am happy to assist with delivery worldwide for this beautiful classic Triumph and the cherished numberplate (A TR8 8V) will remain with the vehicle if sold in the UK. The extensive history and more detailed photographs of this car are available upon request if you call the office, alternatively if you know the present owner in the Triumph TR circles his personal contact details are available in the front of the TR Drivers club magazine.
LHD, Power Steering, Air Conditioning, Front Fog Lamps, Radio Cassette, Front Centre Armrest, Head Restraints, Cloth
