

# AEG-L60260FL slim-depth freestanding washing-machine white VGC (95 GBP)

I am selling this AEG washing machine as I am having my kitchen refitted with integrated appliances. This washing machine is just over three years old ( see warranty document) and is working absolutely fine having never given any trouble. I would not be selling it if not for the new kitchen. It has the usual number of wash programmes and has a very useful 20 or 30 minute quick wash. It has been used solely in a single person household thus has had relatively light use of 2 or 3 times per week at most. Collection from Leicester, LE2 3FP.

I am also selling a 70/30 fridge freezer on a separate.
