

GARDEN SOIL Lots of it (1 GBP)

Location **South East, Middlesex**
<https://www.freeadsz.co.uk/x-315927-z>

GARDEN SOIL- LOTS OF IT, good relatively clean and free of clay. You don't need to take it all. Have as much or little that you want or need. Just come and collect. I need the space it now occupies. It was below my patch of grass, now removed and is now probably suitable for a veg patch, allotment, flower bed or for back filling. Buyer collects Phone
