Location **South West, Dorset**

https://www.freeadsz.co.uk/x-317186-z

We're a startup based in Bournemouth who provide on-site & remote technical support to businesses & residents across Bournemouth & the surrounding areas. We're proud to be an Apple Certified Associate for the local area. Support We provide on-site and remote technical support for both software & hardware related issues. For Businesses we offer a same day call-out service to ensure that your office is up and running as quickly & efficiently as possible. We endeavour to respond within one hour to all enquiries. Hardware & Software Diagnostics - Adware (Virus) Removal - Application & OS system troubleshooting - Data Backup/Restore - Restore OS system software - Data Recovery - Wireless network optimisation/extension - Install new hardware peripherals (printer, scanner etc) - Upgrade your Mac to optimise its performance (Hardware & Software) - Memory (RAM) upgrades - Hard Drive Upgrades (HDD & SSD) Tuition Our flexible Mac training is for anyone who wants to get the most out of their Apple Mac computer, iPad, or iPhone. You could be an individual working from home or an office team switching from PC to Mac. Our Mac training is aimed at newcomers to Apple computers; those who feel they're only using a fraction of their device's capabilities. We strive in delivering the best possible end user experience for our clients. There is no better place to learn than the comfort of your own home, that's why.. WE COME TO YOU.;
