

Honda HRX476 Petrol Mower (175 GBP)

Location **East of England, Bedfordshire**
<https://www.freeadsz.co.uk/x-317577-z>

This mower is a 2011 model and has been used often and regularly. Everything works as it should. It comes with the grass box and a users manual. It's variable speed self drive & has a mulching facility. Easy start engine, which can run without the blades turning. These mowers cost up to £1000 new, so this is good value. Could.
