We aim to provide a reliable, affordable and high quality cleaning in greener way by using biodegradable cleaning products, training our cleaning operatives not only to clean your homes and offices to the highest standards but to do so in a mindful to our environment way.

Why us:

- we love what we do and we aim to keep happy both clients and maids.
- we offer confidentiality, consistent high quality, competitive prices and value for money.
- we do not bind regular clients to any period of time- you stay with us as long as you are happy with the service (we want you to stay!).
- we email you a list of referents ranging from embassies to private schools and nurseries.
- we respond to your requests quickly and positively and last-minute orders are fine with us.
