- LCD Screen Replacement
- Touch screen is not working properly?
- Screen cracked or damaged?
- LCD screen below the glass is damaged or cracked?
- Black bleeding marks or lines on the screen?
- Missing some areas on the LCD screen?

Then we are able to carry out all types of screen repair if you have any problems with the screen on your iPad product. If you have broken the LCD screen and can see black bleeding marks or the image on the LCD screen is distorted or missing in places or you also have cracked the glass touch screen / digitiser layer as well, you can replace the whole iPad screen to restore it.

DUOTECH ELECTRONICS is not too big to forget your name and not so small for you to question our professionalism and service to you. We are here to please and to serve your needs on a personal level. Please let me if you have more than one device before you bring an iPad. We are located in THWRINGHAM, LEAMINGTON SPA, COVENTRY, WEST-MIDLANDS, NUNEATON and now LEAMINGTON SPA. We happily ship and receive throughout the nation.

All of our work is guaranteed good work at a reasonable price. You can check our feedback for more details.

Thank you for your time.
