Here we have a great example of a Yamaha MT-09 that has covered 12387 miles from new by its two former keepers. The bike has been serviced at 610 and 6295 miles. The bike has been HPI checked and a Certificate will be presented with the bike. The paintwork is in great condition and has been fully polished by our on-site valet. Top spec engine protectors have been fitted just in case the worst should happen. The bike has ABS to help improve vehicle control and decrease stopping distances. The bike has also been fitted with adjustable levers so you are able to set them up to suit your riding style. Viewing is welcome any time and we guarantee you will not be disappointed. Give us a call on 01246 860046 for more info or pop in and view the bike at CMC Clay Cross. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us.
