This car has been amazing over the years and barely had any problems at all, the only reason I'm having to get rid of her is I now need a bigger car, a mechanic told me she'll run smoothly for at least another 10 years.

With this wonderfully reliable car, I'll also throw in this amazing Waitrose Travel Cup that fits in the little drinks compartment perfectly!

She has been serviced regularly but as she was my first car I didn't realise it was a good idea to keep all those receipts etc so can only provide part service history. Silly me.

Fuel type Petrol Engine size 998 Body type Hatchback Colour Silver Transmission Manual Date of first registration 01/02/2000.

Happy to take more photos if you:)
