

Tamiya 110 Scale Remote Control Car. (30 GBP)

Location **London, London**
<https://www.freeadsz.co.uk/x-320383-z>

This was a self-build sand buggy which has provided hours of fun. Great on tarmac or rough terrain this car has not seen the light of day in many years but should still work fine. Comes with 2 x battery packs, car battery charger and numerous spares including tires, servo and linkage parts and a Ford pickup truck body still boxed. Parts are easily available both online and from many model shops around the country.;
