Master dTipper Dci (not4sale) Y2 STC 54000 miles. April 2003 Super Value Tipper Truck We are using this in our valeting department at the moment Call us and see if will take a sensible offer Its in quite good condition Call now dont miss out Sorry please ignore the "SPECIFICATION INCLUDES " section which is automatically printed below by our computer system and is not relevant to this listing. This vehicle is being offered by our Vehicle Disposal Centre called Anchor Cars Ltd and trading as "Anchor Trade Centre" in Tadley just 10 minutes up the road. (Co. Reg. No 04310414). This is a bargain-to-clear, usually, but not always, an unwanted part-exchange that we simply wish to clear because it does not fit the age and mileage conditions of our prestige van site in Padworth. It is only for sale to a business user and it is sold as seen with no warranty implied or given. (This is a business to business company you must be a sole trader, self employed, a sub-contractor or a Ltd Company. Please note we do not sell to private buyers or "consumers" we are STRICTLY business to business only). We ask that you make your own business decision as to its suitability for your purpose. We have not inspected the vehicle in our workshop and would recommend that you make your own arrangements to ensure that it is roadworthy and serviced before you buy or drive it on the public highway. We sell all Trade Centre vehicles for you to rectify as necessary. It has age related wear in the engine, gearbox, drive-train and ancillaries. These used vans are only covered by a warranty if an option pack is purchased details below. We cannot arrange finance or deliver the van and the vehicle must be removed from site within 48 hours of purchase to make way for new stock. If the mileage is listed as 0 then the mileage is either known to have a discrepancy or we have failed to be able to verify it we tell you to disregard the mileage shown and buy it on its condition and performance. To avoid all
