G Plan Fresco range - Teak dining room table and six chairs - immaculate condition. Pet free and smoke free household.

The oval dining table is of teak banded with contrasting afromosia.

The refectory style base is also of beautifully patterned afromosia and has been designed to easily fit dining chairs between and around the concave curving ends, allowing the table to seat comfortably 6-8 people or more when fully extended by the butterfly leaf.

There are six chairs in the set, two of which are carvers with original brown dralon seats.

One owner since new - bought late 70's.

Table Dimensions:

H 28.5"/ 72.5 cm, W 42"/107 cm, L 64.25 cm/163 cm & fully extended 82.25"/209 cm.

Sale due to relocating abroad. Buyer collects.
