

Antec P180 desktop case (30 GBP)

Location **South East, Kent**
<https://www.freeadsz.co.uk/x-322481-z>

The P180 is truly a revolutionary breakthrough in case design. Dual chambers isolate the power supply and CPU into separate cooling zones with up to 5 configurable fans. Three-layer sound-deadening panels dampen noise even in very high-performance systems. Ease-of-use, sleek design and Antec's reputation for quality make the P180 worthy of being the first Advanced Super Mid Tower. Unique upper and lower chamber structure: The power supply resides in a separate chamber to isolate heat from the system and lower system noise

Innovative three-layer side panels and front door (aluminum, plastic, aluminum) dampen system noise, making this one of the quietest cases available

Cooling System:

- 1 rear (standard) 120mm TriCool Fan with 3-speed switch control
 - 1 top (standard) 120mm TriCool Fan
 - 1 lower chamber (standard) 120mm TriCool Fan
 - 1 front (optional) 120mm fan
 - 1 middle (optional) 120mm fan to cool graphics cards
 - Upper drive cage can be used as a duct to provide fresh air to graphics cards
- External fan control on the rear panel for the top and rear fans in the upper chamber

Maximum expandability with 11 Drive Bays

- External 4 x 5.25"; 1 x 3.5"
- Internal 6 x 3.5" for HDD

Compatible Motherboards: Mini-ITX, microATX, Standard ATX

Double hinge front door designed to open up to 270°
 1.5m long 1.5m wide 1.5m high rear panel with 3 cooling tubes allow you to mount up to 3 liquid cooling radiators

7.1 x 7.1cm 5.25" drive bays
 5.25" drive bays
 3.5" drive bays
 2 x USB 2.0
 1 x IEEE 1394 (FireWire) ; Link@
 Audio In and Out
 Cable organizers behind motherboard tray minimize cable clutter
 Material: 0.8mm cold rolled steel for durability through the majority of chassis, 1.0mm cold rolled steel around the 4 x HDD area

To optimize performance of your P180, the choice of your power supply is crucial. Antec strongly

recommends choosing from our Signature or TruePower series

Silicone grommets in the hard drive cages absorb vibrations and reduce noise

Built in washable air-filter

Unit Dimensions:

- 21.3" (H) x 8.1" (W) x 19.9" (D)

- 54cm (H) x 20.5cm (W) x 50.7cm (D)

Package dimensions:

- 25" (H) x 12" (W) x 24" (D)

- 63.5cm (H) x 30.48cm (W) x 60.96cm (D)

Weight:

- Net:31.00lb / 14.00kg

- Gross: 36.00lb / 16
