****ALL VEHICLES COME WITH A MINIMUM OF 6 MONTHS RAC WARRANTY, 12 MONTHS BREAKDOWN AND HOME START***** GP Cars are delighted to present for sale, BLACK, this fantastic opportunity to own, what will undoubtedly be an aspiring classic. The history on this car is truly unbelievable, and as such, it was invited by Maserati to attend the Birmingham Classic Car Show at the NEC to appear on the Maserati stand! It has all necessary documents, and an extensive history file to compliment. It has been fastidiously maintained, locked away in a temperature controlled garage for much of its 12 year life. These facts truly show when you look at the car. The bodywork is beautiful, and the leather interior and carpets look as good as the day they were made. This particular example is finished in Nero Carbonio Metallic with a tan leather interior and extended leather trim. All original leather handbooks are available, and have been looked after just as well as the car has (as shown by photo number 13). This car simply must be viewed to be properly appreciated, and will fit into any surrounding without looking out of place, whether it be in a 25 million pound classic car collection, or used as a toy at the weekends. It starts first turn of the key, and doesn't hesitate to thrill. We accept credit and debit card payments, we can organise competitive finance for you and we would be happy to take your current vehicle in as part exchange. Viewing by appointment only (MA53RTE) 'Maserati' Number plate included! £28
