I am looking for a new home for my little black cat aged around 8 years. She came to me a little while ago after a family bereavement but unfortunately I am unable to keep her as I work away a lot and worry as she is left on her own too much. She is very sweet natured, a little timid and very clean. She is not overly needy and would make a lovely companion. Ideally, she needs a relatively quiet, calm environment and be on her own. She does not like other!
