ANOTHER OF OUR GREAT 'TOO GOOD TO MISS' CARAVANS. *** COMPLETE WITH MOTOR MOVER *** The 2011 Unicorn Valencia boasts a spacious, versatile lounge, plentiful storage and some classy touches. The nearside fixed-bed, rear-washroom layout is firmly established as Britain's most popular caravan floorplan. It's a great van for couples who don't want the hassle of making up their bed from scratch every night and do want the luxury of an end-washroom. The Valencia's lounge uses its space well. The first thing you notice is the wide gangway here, an agreeable 69cm, which is achieved by shaving off some depth from each seat bench. It makes for a wide and open area, and a transverse-mounted rooflight allows lots of light into the rear end of the lounge. Six people can fit on the lounge seats, which offer plenty of support, and the option to pull out sections of the seating as day beds pushes even more comfort buttons. The upholstery and fabric scheme, together with light-toned cabinetwork, make the lounge warm and inviting. The kitchen is well specified, as you might expect for a top-of-the-range caravan. There's a Dometic 115-litre fridge, a four-burner gas hob, separate oven and grill, and a 800W microwave oven. A cupboard between the fridge and cooker offers three slide-out drawers for food storage, and space is available underneath for small pots and pans. You enter the washroom through the domestic-style door and you'll find a Thetford C-250 swivel toilet in the left-hand corner and a Belfast basin to its right. A separate shower cubicle takes up the nearside of the washroom, and is accessed via a bi-fold door. PHONE US NOW FOR MORE DETAILS
