Stunning GCCF registered full pedigree quality Ragdoll kittens. Brought up in a family environment. They are ready for their forever home and can be collected upon purchase.

From HCM and PKD clear lines.

Kittens are fully vaccinated (including Feline Leukaemia) as well as health checked twice. They are also litter trained from a young age and accustomed to a scratch post.

We are proud of our kittens as little individuals but also they are from very good quality lines plenty of champions in their pedigree.

They are fully wormed and flea'd as well as four weeks pet insurance provided by Petplan and come with all their 5 generation pedigree papers. They have been reared on Royal Canin Mother and Babycat and now Royal Canin Kitten. Our Kittens are much loved, we take our time to nurture them and build their confidence.

Genuine pet lovers only as these are registered as non-active so cannot be bred from.

Ragdolls are indoor cats they are prized for their docility and are ill-equipped to deal with the hazards outside of the.
