For sale here is my 2.5 month old MacBook 12 inch Space Grey. UK model with original Charger, and box. Also includes excellent quality black leather sleeve.
 Not used very much, selling due to being given work laptop.
 This is a configured item. Top processor at 1.3GHz, which is turbo boosted to 2.9 GHz
 9 months left of Apple 1 Year Worldwide Warranty, still eligible for AppleCare.
 Runs the full adobe suite of programs with ease, as well as CAD programs. Very capable machine!

No longer travelling so no need for laptop.
 Weighs just 0.92kg lightest Macbook currently available from Apple.
 Bought from Apple Store UK.
 Black sleeve cover included.
 Included in box: MacBook 12 Space Grey 1.3GHz 256GB, 29W power adapter Type C
 Will reinstall operating system back to factory settings.
