Originally a seven seater, it has been used as a van and the middle row of seats are no longer there. Though dented down the drivers side, the rest of the exterior is pretty good. The windows have been blanked out with Fablon.

The the cam diffusers just need replacing, so NOT CURRENTLY RUNNING and must be TOWED AWAY.

There is less than 60,000 miles on the clock. It's petrol, manual, and 2005 reg. MOT until March 2017

View in Pinhoe,.
