Are you a wealthy man or lady who feels the need for a sturdy hand to shy away any rouges on your way to the theatre? Perhaps you are a gentleman throwing a ball and believe you best have a praetorian at the ready just in case. Maybe you are a lady who needs the help of a manservant whether it be carrying bags, providing comfort or personal security whilst travelling. If you are any of the above I am the man you need at your side. I am a black belt in both jujitsu and judo, have plenty of private security experience, am a well behaved and polite manservant, can complete nearly any task set whether it be in the town or upon your estate. I am employable full time if you wish me at your side day in day out, if you require an escort to an event or dinner party I am also available upon booking or if you have a journey to make and feel a bodyguard may be wise you can hire me for a set amount of time. Also any specific tasks you require it would be prudent to have a well trained manservant for I am happy to oblige. Please do not hesitate to contact me via email and I will contact you right away. (not me in photo but I do have an impressive)
