2004, 1.9TDI, 138k miles, The car is faultless, well serviced with history, has a new clutch and flywheel, MOT may 2017, all tyres are good fronts are brand new, alloys recently refinished, interior is half leather/suede with no rips, carpets are intact and has a full set of genuine Audi mats, the car had a new A/C compressor 18 months ago, Bose symphony Multi CD unit, Bluetooth phone connection, all round electric Windows, factory alarm/immobiliser. Everything on the car works, no rattles or squeaks, this car is a better drive than my 2014 Ford Focus, reluctant sale but my wife wants a new car. Sensible offers will be.
