Very good condition, 48cm frame (small/medium) - would probably suit a rider in the height range 5' 5" - 5' 10" tall. This bike has had very limited use, with all bearings and drivetrain showing barely any wear at all. Smart blue & white paintwork, this is a very tidy looking bike. Shimano 3 x 7 gears, Promax alloy caliper brakes, and some very nice polished alloy cranks. Hutchinson Flash tyres (good condition) and plastic pedals/toe-clips.
