On sell is a ford Mondeo ghia automatic. The car is very comfortable and has all modern features however it has developed gear changing problems. it is not changing gears therefore it is sold as spares. it starts first and the engine is still solid. the car is nice inside out. It slipped gears a few weeks ago and never had time to get fixed. did some quotations for the second hand gear box and the prizes ranges from £125.00. I did not have time to get it fixed because I have a new car. The car comes with a 3/4 full fuel tank. The car comes with a 11 Months MOT and once the gearbox is fixed the car is ready to go. I have driven you for quite a while and it has been doing very well and has never let me down until a few weeks ago when it failed on gear changing. Features includes; the Electric windows, Air conditioning, CD player, Leather trim, Heated seats, Height adjustable driver's seat, Height adjustable passenger seat, Folding rear seats, Metallic paint, Alloy wheels, Spare wheel (Full), Power steering, Steering wheel rake adjustment, Steering wheel reach adjustment, Cruise control, Traction control, Central locking, Alarm, Immobiliser, Driver's airbags, Side airbags, Passenger
