Here we have an excellent example of the Honda XL700 Transalp. Only one registered Keeper from new. This bike is fitted with an Anti Lock Braking System (ABS), so no more need to worry about those drain covers or white lines. The bike comes with a factory fit immobiliser, this stops a cloned key or screw driver being used to start the bike. The bike comes with all original keys and manuals as were supplied new. The bike comes with a set of lockable Hard Luggage, great for those trips away. This bike has Documented Service History and has had no expense spared in maintaining it. Fitted with hand guards, these really are a blessing on cold days. The bike has been HPI checked and a Certificate will be presented with the bike. The paintwork has no chips, scratches or dents and has been fully polished by our on-site valet. Viewing is welcome any time and we guarantee you won't be disappointed. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us know! Give us a call for more info or pop in and view at CMC Coleshill. *NOTE: Alarms can be fitted to any bike at an additional**
