Hofner 'vienna' classical guitar. Serial number 796 which makes it made about 1959 by the famous German Hofner Company. Beautiful book matched flame maple back. Maple sides, and solid pine front, which has a lovely carved rosette round the sound hole. Rosewood finger board with a nice easy action, and pleasant tone. All original tuners. A few marks owing to its age, but generally very good condition, and extremely playable. A future if not current collectors item. 01798865836 017988658...(click to reveal full phone)
