This is a superb example of Honda's brilliant ST1300A Pan European, this is the ABS model with combined braking, so good in fact that 'Motorcycle News' gave it a 5 star rating, there's no higher accolade than that! It has done just 7985 miles and has a full Honda service history documented in the original service book along with the owners manual, tool kit and both original keys. It also has a genuine Honda colour matched top box with Honda logo mat inside and both keys. Apart from some foam grips (standard also supplied) it is all original as it came out of the factory. The ST1300 is as accomplished a machine as you can buy, it does everything you ask of it and more, smooth, comfortable, fast, powerful and well built. As with all our bikes it is of course HPI clear and will be fully prepared by our workshop prior to collection. Part exchanges are very welcome as we are always looking for used bikes. we are also happy to settle or arrange finance and trade up or down. £8995
